

Note from the Co-Directors:

With the most recent academic grading period having passed, it is a good time to make sure your student athletes are eligible both WIAA and your District standards.

Check with your District policies regarding academic standards. Individual districts may be more stringent than WIAA policy.

WIAA Rule of the Month:

WIAA Rule 18.7.6 (Academic Suspension Period)

The Q&A section of the WIAA Handbook, pages 105-106, provide clarification regarding academic eligibility and the subsequent suspension period for students that don't meet standards.
