

Note from the Co-Directors:

As Mother Nature continues to wreck havoc on Spring sports, make sure that you have a clear line of communication with the various groups involved in rescheduling of events: officials, parents, athletes, transportation office, opponents, and the school staff. Good communication can save you headaches in the long run!

TIP OF THE MONTH:

Make every effort to plan to attend the annual WSSAAA Spring Conference. The professional growth, the networking and the ability to recharge your batteries to finish the year strong is invaluable. Don't let fear keep you from coming and participating with the only people who really understand what you are doing on a daily basis.

Saturday 4/27/19 from 5:15 PM to 6:30 PM is the New AD/Mentor-Mentee opening Session.
